9. (Internal Use Only - RW) About 0930 Mrs. Robertson, in the office of Representative Gus Yatron (D., Pa.), called and said the Congressman had been under the impression that today was the Tuesday for the breakfast briefing for freshmen representatives and she wanted to know if this was incorrect. Told her the breakfast briefing is scheduled for Tuesday, 4 February and she was most understanding.

25X1A 10. (Internal Use Only - KEF) Received a call from Miss Hill, in the office of Senator John C. Stennis (D., Miss.), who requested an employment interview for [REDACTED] a college student coming from Winston-Salem, North Carolina, tomorrow. After checking with [REDACTED] O/Personnel, I advised Miss Hill that an appointment has been scheduled for 2:30 p.m., 30 January.

11. (Confidential - JMM) Called Mrs. Virginia Laird, Personal Secretary to Senator Stuart Symington (D., Mo.), as a follow up to the Senator's phone conversation with the Director in which the Senator had spoken of possibly coming out to see the Director or getting a briefing preparatory to his upcoming trip to Europe and the Middle East. I told Mrs. Laird that because of the Director's tight schedule it was hard to predict his availability but in any event we would be happy to brief the Senator either at Headquarters, or if he preferred, at his office. She thanked me and said she would let us know the Senator's wishes.

12. (Secret - JMM) George Murphy, Joint Committee on Atomic Energy staff, called to say that although the Joint Committee has still not been organized, they hope to get under way the end of this week and their first order of business thereafter may be a general briefing by the Director, which they might want as early as sometime next week. I told Murphy of the Director's tight schedule and he said he appreciated this and was sure Chairman Holifield would want to work out a time convenient to the Director.
